

## Traditional values in a changing world

We know how much your home means to you

**The Whelford Group specialise in the restoration and renovation of listed and old buildings and we are recognised nationally for our work.**

We combine the strengths of a forward-looking approach with a wealth of experience in all aspects of new and historic building works.

Collaborating with architects and building surveyors, we offer our clients innovative, knowledgeable and open advice and we search continually for new methodologies and designs. This synergy of innovation and heritage underpins our restoration of houses, cottages and barn conversions throughout the Cotswolds.

The Whelford Group work in association with the following suppliers

THE TRADITIONAL LIME Co.

## Restoration

We know that attention to detail makes the difference

We work closely with specialist companies and building suppliers, allowing us to source and provide exactly the right product or material for each client.

Interpreting detailed drawings and working in harmony with clients, architects and local authorities, we always aim to satisfy modern demands and regulations while staying true to English Heritage, environmental and conservation guidelines.
